

Muhammad Johari b Rahmad

Website Development
DIRECTOR
KARYA MEDIA SDN BHD
PETALING JAYA

Johari Rahmad is Director of Karya Media Sdn Bhd, an IT outsourcing company in Petaling Jaya. He manages development of web based software and e-commerce for government agencies as well as corporate sector.

He started his career with Kapasitor, social network for creative writers which he founded in 2005. This project won Special Mention Award during 2007's World Summit Award in Venice. The following year, the same project managed to get shortlisted in European E-Inclusion Award and MSC APICTA in e-community category.

At Karya Media, he runs web based software development for internal corporate usage for Agensi Nuklear Malaysia, PEMANDU and Sime Darby Property. Having more than 10 years in web development & e-commerce, he humbly wants to share his experience to the audience.
